

Annandale Intensive Residential Treatment (IRT)

IRT refers to short-term (90 day max.), time-limited, services provided in a 24 hour, 7 day a week residential setting to individuals who are in need of a more restrictive setting and are at risk of significant functional deterioration. Services are designed to develop and enhance psychiatric stability, personal and emotional adjustment, self-sufficiency, and skills to live in a more independent setting. Services must be directed toward a targeted discharge date and with specified outcomes and must be consistent with evidence-based practices.

Annandale IRT serves up to 16 adults at a time and is located in Annandale. The facility is within walking distance of medical services, grocery store, and a fitness center that IRT residents may use.
